### About This Game

This is a escape game  
There are literal narratives in each stage of the game  
With those narratives, the player manipulates the character to find a way out of that phase  
It is possible to choose the right exit or to walk in the right order  
Different stages have different ways to leave  
How to reach the next stage  
What is the next stage?  
Let us experience it!

This is a personal development, design, hand painted game  
The author uses different abstract hand-drawn styles to express the different life stages of the process  
From birth, young children, school, to the community and so on  
Study hard, go to school, work well, be a good citizen, and then?  
In accordance with the social values and the country's instructions go, the result?  
Modern is a time full of possibilities  
We face the impact of the times alternating  
Can we find our own way in this age?

Very short (about 15 minutes) but interesting puzzle game. I can not tell very much because that would destroy the playthrough. I like it very much. The price is too high for that playtime. I recommend the game, but i would not pay the full price.
